MEMORANDUM FOR: Director of Personnel

SUBJECT : Review of Career Management Activities

REFERENCE : Memorandum from Director of Personnel, dated 22 July 1964,
same subject

1. Attached, as requested, are the publications concerning policy and procedural guides in career service matters issued by the Offices of the Directorate of Science and Technology.
2. The first attachment is the charter of the Senior DD/S&T Career Service Board. Other issuances are grouped by Office.
3. It will be noted that no issuances are available for the Office of Research and Development or the Foreign Missile and Space Analysis Center. Each of these components is in the process of forming a Career Service Panel and have not yet fully defined procedural guidelines. Both Offices are relatively new in establishment and proceeded first to resolve staffing problems before organizing appropriate Career Panels.
